ANASTASIIA SERHIIEVA

UI/UX DESIGNER | INTERACTIVE PROTOTYPING | FRONTEND DEVELOPMENT

Atlanta, GA | simitopolis1998@gmail.com | linkedin.com/in/anastasiiaserhiieva | simitopolis.github.io/portfolio

PROFESSIONAL SUMMARY

UI/UX Designer with 3 years of experience delivering responsive websites and digital interfaces for clients and design teams. Combines Figma design systems, interactive prototyping, and hands-on HTML, CSS, and JavaScript to carry ideas from early UX decisions through working interfaces. Independently designed, developed, and launched a portfolio website; comfortable collaborating with developers, refining UI from feedback, and balancing usability with implementation constraints.

CORE SKILLS

UX & Interaction: User flows, wireframing, clickable prototypes, information architecture, UX research, usability testing

UI Systems & Quality: Figma, Auto Layout, components & variants, design systems, responsive UI, accessibility fundamentals, visual QA, developer handoff

Frontend: HTML5, CSS3, JavaScript (ES6+), responsive implementation, Git/GitHub, debugging, VS Code

Visual & AI Tools: Adobe Photoshop, Maya, 3D visuals, Jira, AI tools: ChatGPT, Claude, Midjourney, Figma AI

PROFESSIONAL EXPERIENCE

UI/UX Designer & Frontend Developer - Freelance / Contract | Mar 2023 - Present | Atlanta, GA

- Delivered responsive client websites from brief to build, translating user flows and Figma prototypes into HTML/CSS/JavaScript interfaces.
- Created reusable Figma components and responsive patterns, making page-to-page styling more consistent and revisions easier to manage.
- Used usability checks and stakeholder feedback to refine navigation, information hierarchy, and interactions before delivery.
- Designed, coded, and launched a personal portfolio website independently, from visual concept through deployment on GitHub Pages.

UI Design Specialist - HAB BURO Studio | Apr 2024 - May 2025 | Cherkasy, Ukraine

- Turned product requirements into structured Figma designs for web and mobile interfaces, supporting smoother developer handoff.
- Consolidated recurring interface patterns into reusable design-system components to improve consistency and simplify updates.
- Worked with developers and stakeholders to adapt layouts to feedback and practical implementation constraints.

Product Design Intern - FOR® Agency | Jan 2024 - Apr 2024 | Helsinki, Finland (Remote)

- Developed brand-aligned visual concepts and packaging designs, translating positioning and customer-facing messaging into clear visual treatments.

Founder & Operations Manager - FamCoffee | Apr 2021 - Mar 2022 | Kyiv, Ukraine

- Founded and managed a customer-facing business; improved service workflows using customer feedback while coordinating day-to-day operations.

EDUCATION & TRAINING

Mate Academy - UI/UX Design Program (750 hours), 2023-2024

Colt Steele - HTML & CSS Bootcamp (37 hours), 2026

Kyiv University of Culture and Arts - Bachelor's Degree in Journalism, 2016-2020
